

Friends don't let friends—USE BANKS

Life Happens!

October 2017

Last month we let members know that we were going to have a motorcycle in our lobby. We wanted to do this to let members know that we make [motorcycle loans](#) and because we could not fit a car through the doors.

Had you come by the branch last month hoping to see a motorcycle you would have noticed that there was no display motorcycle. Our best plans and intentions fell through leaving no discussions about our motorcycle loan program, any new loans or even just talking about what a cool thing it was to see.

In life, things don't always work out the way we might have planned. The credit union is here to help you with all of your financial needs when things are going great and when times are a little tough. When you want to buy a new car or whether you need an emergency loan to fix the one you have, the staff is ready to assist you. We also have partners who can provide assistance and training if you need something we can't provide.

Increase Your Purchasing Power

Share your credit union with friends! Find the \$150 cash back coupon on Facebook, like it and get a loan AND the money before October 31st. Your friends might just be impressed at your expertise on getting a great deal.
